*MONTANA SKIES MUSIC PUBLISHING is proud to represent a style of music that harkens back to a simpler time. Music born of big skies, open ranges, and a cowboy's unique sensibility. From love, to loss and all the range of emotions in between, our music is based in telling a good story.*

*Rodeos, saddles, old trucks and denim create the backdrop. However it's the authentic emotions weaving the stories together that sweep us along. Even if only in our imagination.*
